Dear

Please refer to the approval of Government of India regarding setting-up of National Nutrition Mission (NNM) to address the issue of malnutrition in a time-bound manner.

2. Under the NNM, Real-Time monitoring of services delivery at Anganwadi Centre through mobile based ICDS-CAS Software Application would be one of the core activities. All the Anganwadi Workers (AWWs) are being equipped with Smart Phones and Lady Supervisors (LSs) with Tablets to capture the Data.
3. ICDS-CAS Software has four types of application:
 - i. **Anganwadi App (AWW)**: Mobile application for Anganwadi Workers.
 - ii. **Lady Supervisor App (LS)**: Tablet application for Lady Supervisors.
 - iii. **Issue Tracker App (IT)**: Mobile & Web application for Helpdesk.
 - iv. **Dashboard**: Web application for ICDS Officers.
4. The quality training on ICDS-CAS application is imperative for successful adoption of the technology by various stakeholders in the system. Hence, two types of training methodology will be adopted i.e.:
 - i. End-users (AWW) to be trained through Master Trainers (MTs).
 - ii. End-users (LS/Help Desk/Dashboard) to be trained directly by third party trainers.
5. The formal launch of National Nutrition Mission is anticipated shortly. Hence, it would be appropriate if the training of Master Trainers is initiated in all States/UTs well in advance. These Master Trainers may be identified by the States/UTs out of 315 districts in which NNM is being rolled-out during 2017-18. From each NNM district, four (04) MTs need to be identified. States/UTs may consider the existing human resources available at Project/Sector/Lady Supervisors (LS) level **[Brief details in this regard is enclosed]**.
6. For this, it is requested to identify Two Nodal Officers as well as Master Trainers and send the information in the prescribed format annexed **[Annexure-I]**. The training will be imparted using demo on Smart Phones. The initial set of mobile devices and ICDS-CAS Software for training will be provided by MWCD via support from TATA Trust as per **Annexure-II**.

7. The 04 days residential training of these Master Trainers will be conducted at location identified by State/UT as per **Annexure-III**. The schedule of training and checklist pertaining to making necessary arrangements for conducting training of Master Trainers is at **Annexure-IV and Annexure-V** respectively. The States/UTs may contact the following for further clarification:

- i. Sh. Umesh Kumar Motish, Project Manager ; u.motish@nic.in Tel : 011-23368202, Mobile Number: 9968573468
- ii. Sh. Ravi Jain, System Analyst ; ravi.jain85@nic.in Tel: 011-23368202, Mobile Number: 7742768448

8. I would request you to look into this matter on priority and ensure that the above exercise is completed and requisite information send to this Ministry latest by **31st January, 2017**.

With regards.

Yours sincerely,
25/1/2018
