

BASIC STATISTICS OF PANCHAYATI RAJ INSTITUTIONS

Panchayati Raj

2019

**MINISTRY OF PANCHAYATI RAJ
GOVERNMENT OF INDIA**

Foreword

The institutions of self-government, known as Panchayati Raj Institutions (PRIs), were given a constitutional status through the 73rd Constitutional Amendment and the thought process behind this was to make democracy functional at the local level, and driven by citizens' needs and with their participation. Panchayats have been mandated for economic development, strengthening social justice and implementation of Central and State Government Schemes including those 29 subjects listed in the Eleventh Schedule.

As PRIs are the cornerstone of local self governments and peoples' participation, the Ministry of Panchayati Raj has been providing programmatic support for building up PRIs and continuously striving to strength PRIs through advocacy and financial support to attain decentralized, participatory local self-government and to ensure inclusive development with social justice, and efficient delivery of services. The continuous support of the Ministry has brought substantial improvements in the Panchayati raj system and local level governance across the country. However, the level of improvements in local level governance varies state wise, as Panchayat is state subject and being regulated mainly by the State Panchayati Raj Acts.

Hence, it is essential to understand whether the policies and programmes of the Ministry are meeting the intended objectives and identify targets. Therefore, with the aim to give an insight of the status and improvements in Panchayati raj system and local level governance at the national and state level Dr. Mohd. Tauqueer Khan, Consultant, Ministry of Panchayati Raj has compiled the basic statistics of PRIs under the supervision of Smt. Sujata Sharma, Economic Adviser, Ministry of Panchayati Raj. Dr. Khan has been guided by Shri Vijay Kumar, Deputy Secretary and Shri Subhash Sangwan, Under Secretary during the compilation. The entire work has been reviewed by Shri Sanjay Singh, Additional Secretary, Ministry of Panchayati Raj. This publication will be placed at the Ministry's website and will be available in public domain. I am sure it will be a useful document in guiding policy makers and different stakeholder to work towards improvement in Panchayati Raj system.

CHAPTER-1

INTRODUCTION

1. Mandate of the Ministry of Panchayati Raj

1.1 The mandate of the Ministry of Panchayati Raj (MoPR), which was set up in May, 2004, is to ensure the compliance of the provisions of Part IX of the Constitution, provisions regarding the District Planning Committees as per Article 243ZD, and PESA. The Ministry's vision is to attain decentralized and participatory local self-government through Panchayats, or Panchayati Raj Institutions (PRIs). The Ministry's mission is empowerment, enablement and accountability of PRIs to ensure inclusive development with social justice, and efficient delivery of services.

1.2 The Ministry works to fulfil its mandate in various ways. Essentially, it plays a strong advocacy role. MoPR fosters knowledge creation and sharing so that the issues to be addressed are clearly articulated, meaningful strategies formulated, and there is sharing within government as well as with non-government agencies and experts. It also provides technical assistance and facilities cross-learning across States. In the light of recent changes in policy and to take advantage of the emerging opportunities, the Ministry has repositioned itself with basic changes in its mandate.

2. Constitutional Provisions Regarding Panchayati Raj

2.1 Part IX of the Constitution of India provides for setting up of three tiers of Panchayats (only two tiers in case of States or Union Territories having population less than 2 million): (i) Gram Panchayat at village level (ii) District Panchayats at District level and (iii) Intermediate Panchayats at sub-district level in between Gram Panchayats and District Panchayats. It also provides for Gram Sabha (general assembly of registered voters who reside in the area of Gram Panchayat) as a forum for direct participation of villagers in local governance.

2.2 The Constitution of India has fixed five year terms for these Panchayats and has made provision for the reservation of seats for Women and marginalized sections (Scheduled Castes and Scheduled Tribes) of Indian society. While reservation of Schedule Castes (SCs) & Schedule Tribes (STs) is in proportion to their share in

population, that for women is at least 33.33%. However, many Indian States have increased the reservation of seats and chairperson posts for women in Panchayats to 50%.

2.3 The Constitution of India also stipulates direct elections of all members of Panchayats. For conducting these elections, all States are mandated to constitute a State Election Commission. Also it is compulsory for States to constitute a State Finance Commission (SFC) every fifth year for recommending principles for division of financial resources between State and local governments (both urban and rural). SFCs are to make recommendations to the Governor regarding the distribution between the State and Panchayats of the net proceeds of taxes, duties, toll and fees etc., the determination of taxes, duties tolls and fees which may be assigned to, or appropriated by, the Panchayats, and grants-in-aid to the Panchayats from the Consolidated Fund to the State, as well as measures needed to improve the financial position of Panchayats.

3. Areas Not Covered under Part IX

3.1 While Part IX of the Constitution applies to a vast majority of the country, as per Article 243M of the Constitution, some areas are exempted from Part IX. These include the States of Meghalaya, Mizoram and Nagaland, areas covered under the Sixth Schedule, the hill areas of Manipur and the district level Panchayats in the hill areas of Darjeeling. Various kinds of grassroots local governance structures exist in these areas.

4. Notified Fifth Schedule Areas (FSA)

4.1 Article 243M (1) of the Constitution exempts Scheduled Areas and tribal areas referred to in Clause (1) and (2) of article 244 from application of the provisions of Part IX of the Constitution. However, article 243M (4) (b) empowers the Parliament to legislate and extend the provisions of Part IX to Scheduled Areas and tribal areas referred to in clause (1), subject to such exceptions and modifications as may be specified in such law and no such law shall be deemed to be an amendment of the Constitution for the purpose of article 368. Article 244 of the Constitution makes special provisions for the administration of certain areas called "Scheduled Areas" in States other than Assam, Meghalaya, Tripura and Mizoram.

4.2 The Fifth Schedule of the Constitution deals with the administration and control of Scheduled Areas as well as of Scheduled Tribes residing in the areas other than States of Assam, Meghalaya, Tripura and Mizoram. “The Provisions of the Panchayat (Extension to the Scheduled Areas) Act, 1996” (PESA), extends Part IX of the Constitution with certain modifications and exceptions, to the Fifth Schedule Areas notified under Article 244(1) of the Constitution. At present, Fifth Schedule Areas exist in 10 States viz. Andhra Pradesh, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Rajasthan and Telangana.

5. The Role of States

5.1 As local government is a State subject, State legislatures have a critical role in determining various aspects of Panchayati Raj in their States. States are keys as far as devolution of powers to Panchayats is concerned. The Constitution envisaged that Panchayats will function as institutions of local government and prepare plans and implement schemes for economic development and social justice, but leaves the precise devolution of powers and authority to Panchayats to the States. The State legislatures are to consider the 29 matters illustratively set out in the Eleventh Schedule for devolution to the Panchayats for the planning and implementation of schemes for economic development and social justice. Powers to impose taxes by and provisions of funds to the Panchayats are determined by State. Moreover, States play a critical role in building Panchayat capacities and in creating an appropriate framework for accountability and transparency as well.

6. Eleventh Schedule (Article 243G)

6.1 The functions entrusted to a Panchayat under the Eleventh Schedule to Article 243G of the Constitution are as under:

1. Agriculture, including agricultural extension.
2. Land improvement, implementation of land reforms, land consolidation and soil conservation.
3. Minor irrigation, water management and watershed development.
4. Animal husbandry, dairying and poultry.
5. Fisheries.

Notes: ~ The Hyderabad High Court in October 2018 directed the ANDHRA PRADESH government to conduct PANCHAYAT ELECTIONS within three months.

^ Election in Arunachal Pradesh could not be conducted due to extreme weather conditions. Planning to do it in 2019.

* Elections for GPs in Maharashtra are to be scheduled on different dates as per their respective tenure of Five year.

[@] Elections could not be held as the Puducherry Government does not have the desired information on OBC population required to decide the seats to be reserved for them. Currently the matter is pending in the Hon'ble Supreme Court of India.

[#] Notification for holding the election was issued by the Tamil Nadu State Election Commission. However, that notification has been challenged in the Hon'ble Madras High Court.

CHAPTER – 3

CENTRAL FINANCE COMMISSIONS GRANTS

Article 280(3) (bb) of the Constitution inserted vide the 73rd Amendment Act States that “the measures needed to augment the Consolidated Fund of a State to supplement the resources of the Panchayats in the State on the basis of the recommendations made by the Finance Commission of the State”. Accordingly, Union Finance Commissions are required to make recommendations to augment the Consolidated Fund of a State to supplement the resources of the Panchayats in the State on the basis of the recommendations made by the Finance Commission of the State. The status of actual allocation and release of grants to the rural local bodies under 13th and 14th Finance Commission is as under:

CAPACITY BUILDING & TRAINING

The Ministry of Panchayati Raj has been providing programmatic support for strengthening of Panchayati Raj Institutions (PRIs) primarily by way of capacity building and training to the elected representatives of PRIs and other stakeholders. Ministry has implemented the Rajiv Gandhi Panchayat Sashaktikaran Abhiyaan (RGPSA) during the year 2012-13 up to 2015-16 for strengthening of Panchayati Raj System across the country and to address the critical gaps that constrain the functioning of Panchayats, through promotion of devolution of powers, facilitating democratic decision making through People's participation, accountability in Panchayats, strengthening the institutional structure for knowledge creation and capacity building of Panchayats etc. Further, during 2016-17 and 2017-18, pending restructuring of the scheme, Ministry provided financial support to States under Capacity Building-Panchayat Sashaktikaran Abhiyan (CB-PSA) for Capacity Building & Training (CB&T) of with focus on Gram Panchayat Development Plan (GPDP) so as to enable them to discharge their mandated functions effectively. Under these schemes funds were released to the States/UTs towards capacity building and training.

Rashtriya Gram Swaraj Abhiyan (RGSA):

Government of India has launched restructured Centrally Sponsored Scheme (CSS) of Rashtriya Gram Swaraj Abhiyan (RGSA) for implementation from 01.04.2018 to 31.03.2022 with the primary aim of strengthening Panchayati Raj Institutions (PRIs) for achieving Sustainable Development Goals (SDGs) with main thrust on convergence with Mission Antyodaya and emphasis on strengthening PRIs in the 117 Aspirational districts. The scheme has been approved with total budget outlay of Rs. 7255.50 crore out of which State share will be Rs. 2755.50 crore and the Central share will be Rs. 4500.00 crore. The scheme has programmatic focus for phased saturation mode on ensuring basic orientation training for the Elected Representatives of Panchayats, within six months of their election and refresher trainings within 2 years. RGSA will have thrust for SHG-PRI convergence to ensure effective community mobilisation and greater public ownership of flagship programs of the Govt. Use of e-governance and technology driven solutions at Panchayat level will be increased to attain administrative efficiency, improved service delivery, and greater accountability.

GRAM PANCHAYAT DEVELOPMENT PLAN

The FFC Award has created an opportunity for convergent plans at the level and leadership by Panchayats in providing basic amenities and services to the people. MoPR has supported States to develop State specific guidelines for Gram Panchayat Development Plans (GPDP) which converge all the resources over which the Panchayats have command including FFC funds, MGNREGS funds, Swachh Bharat funds, etc. The Gram Panchayat Development Plans are also an opportunity for the community to be engaged in setting local development agenda and finding local solutions to development issues.

PEOPLE'S PLAN CAMPAIGN (PPC) FOR GRAM PANCHAYAT DEVELOPMENT PLAN (GPDP) – SABKI YOJANA SABKA VIKAS:

Gram Panchayats have been mandated for the preparation of Gram Panchayat Development Plan (GPDP) for economic development and social justice utilizing the resources available to them. The GPDP planning process has to be comprehensive and based on participatory process which involves the full convergence with Schemes of all related Central Ministries / Line Departments related to 29 subjects enlisted in the Eleventh Schedule of the Constitution. Panchayats have a significant role to play in the effective and efficient implementation of flagship schemes on subjects of National Importance for transformation of rural India. The People's Plan Campaign will commence from 2nd October to 31st December, 2018 for preparing GPDP for 2019-20. The campaign initiated under "Sabki Yojana Sabka Vikas" will be an intensive and structured exercise for planning at Gram Sabha through convergence between Panchayati Raj Institutions (PRIs) and concerned Line Departments of the State.

CHAPTER - 6

E-GOVERNANCE/ ICT INITIATIVES OF MOPR

With the objective of transforming the governance landscape by ensuring participation of citizens in policy making and providing easy access to information to the citizens, National e- Governance Plan (NeGP) was introduced in 2006. The vision of the NeGP was to "Make all Government services accessible to the common man in his locality, through common service delivery outlets and ensure efficiency, transparency and reliability of such services at affordable costs to realize the basic needs of the common man." e-Panchayat is one such Mission Mode Project (MMP) under the Digital India programme of Govt. of India, currently being implemented with a vision to empower and transform rural India. The e- Governance project aims to transform the Panchayati Raj Institutions (PRIs) into symbols of modernity, transparency and efficiency making it one of a kind nationwide IT initiative introduced by the Ministry of Panchayati Raj (MoPR) that endeavours to ensure people's participation in programme decision making, implementation and delivery. The project aims to automate the functioning of nearly 2.55 lakh elected Panchayats. In one of the round table conferences organized by this Ministry, the use of Information and Communication Technology (ICT) in PRIs for effective execution and monitoring of rural development programmes was recommended. Thus, began the era of e-Panchayat and use of ICT interventions in the functioning of PRIs.

Table 6.1: Panchayat Enterprise Suite (PES) Applications

Sl. No.	Application	Description
1	PRIASoft	<p>It is a web based Application that captures receipt & expenditure details through voucher entries and automatically generates cash book, registers, utilization certificates, etc.</p> <p>It has been designed in such a way that the only requirement from the Panchayats is to make entry of the four vouchers (<i>Receipt/Payment/Contra/Journal</i>) that would automatically generate all associated Statements and Reports. All the Central Government & State Government schemes are available within PRIASoft which are mapped with the account heads.</p>
2	PlanPlus	<p>PlanPlus was developed in line with the guidelines for Decentralized Planning issues by the Planning Commission. It helps Panchayats, Urban Local Bodies and line departments in preparing Perspective, Annual and Action Plans.</p> <p>PlanPlus facilitates in strengthening participative decentralized planning and enables preparation of district as well as sectoral plans. It also allows the citizens/plan units to submit their development needs to appropriate planning unit. This Application has been modified for incorporating various components of Gram Panchayat Development Plan (GPDP).</p>

Sl. No.	Application	Description
3	National Panchayat Portal (NPP)	<p>Dynamic Web site for each Panchayat (i.e. ZPs, BPs & GPs) to share information in public domain. NPP facilitates seamless access to the information and services provided by the local bodies.</p> <p>NPP creates dynamic websites for State Panchayati Raj Departments and each Panchayat can configure their website to be accessed using a URL of their choice.</p>
4	Local Government Directory (LGD)	Captures all details of local governments and assigns unique code. Also maps Panchayats with Assembly and Parliamentary Constituencies.
5	ActionSoft	<p>It aims at monitoring and keeping record of the progress of the works being undertaken as part of the finally approved plans (Action Plan) of various ULB, RLB and Line departments as available in PlanPlus.</p> <p>It facilitates proper recording of the Financial and Physical progress of the works. It acts as a tool to support the monitoring of the status and the expenditure incurred in works undertaken under various central and state schemes by various governments.</p>
6	National Asset Directory (NAD)	<p>Captures details of assets created/maintained; helps avoid duplication of works and provides for maintenance.</p> <p>NAD comprises of a repository of movable and immovable assets (i.e. both public and private viz major schools, banks & hospital) present within the geographical boundaries of the Panchayats. The Panchayats. It also generates unique asset ID for identification of assets created/maintained/controlled by the Panchayats.</p>
7	Area Profiler	<p>Captures geographic, demographic, infrastructural, socio-economic and natural resources profile of a village/panchayat. Universal database for planning of all sectoral programmes and provides details of Elected Representatives & Panchayat Functionaries, Election details etc.</p> <p>AreaProfiler is a centralized database also providing various details of the Panchayats such as neighbouring local bodies, tourist places and lodging facilities etc. AreaProfiler.</p>
8	ServicePlus	A dynamic metadata-based service delivery portal to help in providing electronic delivery of all services in all States. The functionality of the erstwhile Grievance Redressal Application has also been subsumed into this Application.
9	Social Audit and Meeting Management (SAMM)	<p>Social Audit application aims to understand, measure and verify work under different schemes done by the Panchayat and further to improve social performance of respective Panchayats. CHAPTER – 7

Status of devolution and compliance of PESA Act

‘Panchayat’ is a State subject mandated under Part IX and List II (State List) of Seventh Schedule (Article 246) of the Constitution of India. Article 243G of Part IX of the Constitution mandated the State Legislatures to endow the PRIs with powers and authority to enable them to function as institutions of local self-governance including in areas illustratively listed in the Eleventh Schedule of the Constitution. There is variation in the extent of devolution of functions to PRIs in states. The Ministry of Panchayati Raj (MoPR) has continuously persuaded the State Governments to devolve powers to Panchayats and also supported States/UTs through Incentivisation, regular reviews and by providing assistance for capacity building of Panchayats to enable them to perform devolved functions effectively. Ministry of Panchayati Raj undertakes assessment of the extent to which States have devolved powers to Panchayats. The performance of States regarding devolution is measured through a Panchayat Devolution Index (PDI). The PDI is prepared by an independent agency.

The MoPR entrusted the preparation of PDI for 2015-16 to the Tata Institute of Social Sciences (TISS) with a specific request to look for illustrative evidence based ranking of the status of devolution in the country focussing on the ground situation in a few panchayats in each tier across various States to figure out what is the extent of powers they actually exercise. 26 States and 6 Union Territories participated in this study. The study seeks to develop composite indicative ranking of the States on devolution of powers and resources to local governments in various States and Union Territories. The improved index of Policy and the Devolution Index of Practice have been used to create an Improved Index adjusted against practice for ranking of States and Union Territories.

The cumulative index using the normal method seeks to provide indicative ranking of States on four different aspects of functioning of PRIs.

- The study attempts to measure and rank States according to their achievements in three core aspects of devolution
- Devolution of functions,
- Transfer of functionaries &
- Devolution of finances to PRIs.
- The comparative achievement of States in establishing systems of Infrastructure, Governance and Transparency (IGT).

State wise ranking for devolution of power and the status of devolution of functions to Panchayats by States in the primary, secondary and tertiary sectors is given following tables.

Governance in Fifth Schedule Areas

The Fifth Schedule of the Constitution deals with the administration and control of Scheduled Areas as well as of Scheduled Tribes residing in the areas other than States of Assam, Meghalaya, Tripura and Mizoram. “The Provisions of the Panchayat (Extension to the Scheduled Areas) Act, 1996” (PESA), extends Part IX of the Constitution with certain modifications and exceptions, to the Fifth Schedule Areas notified under Article 244(1) of the Constitution. At present, Fifth Schedule Areas exist in 10 States viz. Andhra Pradesh, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Rajasthan and Telangana. The details of notified Fifth Schedule Areas (FSA) are given in table 7.4:

CHAPTER – 8

INCENTIVISATION OF PANCHAYATS

Ministry of Panchayati Raj has incentivized the best performing Panchayats recommended by the State Governments/ Union Territories since. The awards are given on the National Panchayati Raj Day (NPRD) celebrated on 24th April every year. This incentivization encourages Panchayat representatives who make special efforts; creates models for the Panchayats and Gram Sabhas to follow and focuses public attention on Panchayats performance, which encourages all Panchayats to improve their performance. Finally, this creates an eco-system for overall good governance at the local level.
