Skill Development

State	Polytechnic Institutions in Bihar(India)	iTIs in Bihar (India)	Engineering Colleges in (Bihar)India
Bihar	17(1914)	482(9406)	10(2894)

- State Skill Development Mission constituted

Based on PPP following institutions to be established

- One Engineering College in 32 districts
- One Polytechnic in each subdivision
- At least one One ITI /ITCs in each block
- 100000 vocationally trained persons annually in long term trades & 500000 annually in short term market driven trades

43

MSDP: Issues

- Targetted programme focussed strictly on minorities rather than an area development programme
- Emphasis to shift to education, housing skill development etc rather than on infrastructure
- Amount sanctioned in the past for anganbari centres, polytechnics etc. under MSDP is less than the standard estimated cost in the State.
- Districts having minority population above 20% covered so far under the scheme. In other areas blocks/villages > 20% population may be taken up.
- State to be given freedom to sanction new schemes in the local context
