**Sub: State Training Action Plan (STRAP) of Jharkhand 2013-14 under ICDS Training Programme and Induction Training on Revised MIS – Administrative approval – Regarding**

Sir,

I am directed to refer to your office letter no. 1/2012-13/1000/SW dated 29.6.13 regarding the STRAP 2013-14 and 989/2013 dated 26.6.13 regarding Induction Training on Revised MIS and to convey the approval of Government of India to the Regular Training proposal included in the STRAP for 2013-14 at a total cost of **Rs. 564.85 lakh** and **Rs. 384.11 lakh** for one-time Induction Training on Revised MIS as per the details annexed. The GOI share (90%) against this approval is **Rs. 854.06 lakh**.

2. The above cost estimates are based on the financial norms of April 2009 for various types of regular training programmes. The State Govt. may use the new financial norms for the ICDS Training programme contained in the **ICDS Mission – The Broad Framework of Implementation**, as circulated *vide* this Ministry's letter No.1-8/2012-CD.I dated 22.10.2012 (*Ref. para 5.xi read with Annexure XI, page 85-91*) with immediate effect and intimate the revised cost estimates based on the new norms in respect of regular training programmes approved under STRAP 2013-14 to this Ministry.

3. As regards the proposals relating to "Other Trainings", it may be noted that in the current year, Induction Training on Revised MIS has to be imparted to all Supervisors and AWWs which will involve engagement of various ICDS functionaries for at least 3-4 months, apart from involving a huge budget. An amount of **Rs. 384.11 lakh** has been approved for the purpose. In view of this, 'other training' activities have not been considered at this stage. However, the **State Govt. may organize the monthly ECCE day as per the guidelines issued by GOI and book the expenditure under "Other Trainings"**. The other activities proposed under "Other Training" will be considered at the time of review of physical/financial progress after the 2<sup>nd</sup> quarter.

4. Approval of GOI to the above proposal will be strictly subject to the following conditions:

- (a) That the regular training will be conducted through the existing 19 AWTCs. Prior approval of the GOI will be required for opening of any new or closing down of any existing training centre. No funds will be diverted to any training centre, which is not included in the STRAP 2013-14; and
- (b) No expenditure will be incurred on any activity other than those specifically approved under STRAP 2013-14 and expenditure, if any, on any such activity will be deemed as ineligible expenditure in so far as GOI funding is concerned.
- (c) The induction training on revised MIS at the three levels as well as organization of the 1-day orientation workshop should be conducted strictly following the GoI guidelines dated 28th August 2012 and also orientation of the State level Master Trainers (SLMTs) from Jharkhand by the Central Team during the Regional Training of Trainers held on **20-22 May 2013 at Patna**, so as to ensure full roll-out of revised MIS across the State in a time bound manner. The Facilitators' Manual shared with the SLMTs during the TOT programme at Patna should be referred for conducting the next levels of TOTs. A detailed timeline for undertaking induction training at the three different levels clearly aligning with the delivery of printed AWC Registers may be shared with us urgently.

5. This issues with the approval of the Competent Authority.

Yours faithfully,

(Rajesh Sharma)
